WHAT'S NEW AT OUR SCHOOL?

Our kids from the 9th grade became historical characters for one day. They decided to show us the story about the baby Jesus and the Three Kings and it was a true fairytale. However, due to the Covid- 19 restrictions they were able to perform only online. Even though we could watch it only online we enjoyed every moment of this everlasting story.

WHAT'S NEW AT OUR SCHOOL?

Did you know we have wonderful actors in our school? Some kids showed an amazing talent when they performed a Christmas show about the Three kings and the baby Jesus. We were stunned because the show itself was not only wonderful but also taught us some important things about Christmas and its true values.

WHAT'S NEW AT OUR SCHOOL?

Big white beard, big eyes, small nose and a nice smile hidden behind the beard. Yes, of course, it is St. Nicholas. He visited our kids (and teachers too) and made sure they behave nicely, respect their teachers and friends and do their best. However, he wasn't alone and his friends the Angel and the Devil had some work too! So, be careful because you never know who's watching! 😊

ST. NICHOLAS DAY IN 1.C

BY HANA ONDŘÍKOVÁ

Despite the fact class 1.C was in quarantine this month, children enjoyed St. Nicholas Day a lot. The children and the teacher disguised as devils and angels, and we even had one St. Nicholas in the class. We enjoyed all day project about St. Nicholas. We watched tales, sang songs, counted angels and devils, solved crossword puzzles and puzzles on Friday. The real Nicholas, the devil and the angel even came to our class. Everything turned out well and the devil didn't take any of us to the hell :-)

CHRISTMAS CARDS BY 2.A

BY LUCY BIRKOVÁ

The kids from 2.A spent their last English lesson by making wonderful Christmas cards. It might seem easy, but it wasn't at all! Firstly, we needed to connect all the necessary numbers, then we cut the picture, glued it onto a cardboard, coloured it and described. Our hard work is appreciated by everyone who admires these cute little cards on our school boards.

CHRISTMAS ENGLISH IN 2.B

BY IVETA WINTROVÁ

Our last class in December was the Christmas class. We watched a video about Steve and his friends getting ready for Christmas. It was fun to see his troubles while making a Christmas tree. Maggie and auntie Agatha had to help him. After all, everything ended well. We were happy and sang the most favourite Christmas song Jingle Bells with Andrea Bocelli and The Muppets.

WHERE ARE THE SNOWMEN?

BY LUCY BIRKOVÁ

Where are the snowmen? Our kids from 3.A and 3.C know it for sure now! After practising prepositions such as "on, in, under, by and behind" kids managed to create a small book where they needed to put the snowmen on the correct place according to the text. They really loved making the book so I am quite sure there are some future writers and artists among them ;)

HOW THE GRINCH STOLE CHRISTMAS

BY LUCY BIRKOVÁ

We all know the story about the green grumpy creature who hates Christmas. Grinch hates them the most because his heart is just too small. However, even our grumpy Grinch finds out that Christmas is something more than just presents and a lot of food. The kids from 3.A and 3.C got to know this wonderful Christmas story and after our reading session they created marvellous "How the Grinch stole Christmas" posters which decorate our school corridors.

CHRISTMAS ATMOSPHERE IN 3.C

BY LUCIE VOBROVÁ

Everyone is so excited and can't wait till Christmas time will come. We tried to shorten the kids' waiting time and had fun during English lesson while studying Christmas words, guessing the words we had on our foreheads and played I spy with my little eye game. We wish everyone Merry Christmas and all the best in 2022.

STEVE'S CHRISTMAS PUZZLE

BY LUCY BIRKOVÁ

Our first graders enjoyed some Christmas time with our friends Steve and Maggie. However, it wasn't as easy as you might think. Kids needed to complete the puzzle first and stick them together on a cardboard. After that, we all enjoyed colouring and decorating this cute Christmas puzzle pictures and of course, we sang famous Christmas carols all the time!

CHRISTMAS COCOA SNOWBALLS WITH MS. LUCY

BY LUCY BIRKOVÁ

Cocoa, butter, biscuits, juice, sugar....you could smell all these yummy things in our English classroom on the last day before the Christmas holiday. Kids weren't afraid to get their hands dirty and they cut, mixed and shaped cute little snowballs which they ate right after making them :) Of course, they shared them with their friends and teachers and we all just loved the lesson. However, what is really important, kids learnt that baking is not as easy as it might seem and this is true even if we really didn't bake :)

CHRISTMAS ACTIVITIES WITH MS. MARTINA

BY MARTINA SMLSALOVÁ

This month students have had a chance to do some fun activities as "word search" "crosswords" and "colour by numbers" all Christmas themed. Next to activities to learn and practise new vocabulary, we were doing a 3D winter village and wreaths from paper. What did the students enjoy probably the most? I guess it was painting and decorating Christmas gingerbread biscuits.
