THE MONTHLY RECAP

NUMBERS, NUMBERS, NUMBERS

BY LUCY BIRKOVÁ

Numbers here, numbers there, numbers everywhere! Our kids from 1.B and 1.C had so much fun with numbers. Each of them had their own numbers puzzle where they needed to match numbers with corresponding spots so they could practise counting to 10. While building all the pieces together they improved their logical thinking as well as their math skills. Don't forget, numbers are everywhere!

IS IT YOU OR JUST A PAPER DOLL?

BY LUCY BIRKOVÁ

What's your name? My name is Maggie. What is your name? How old are you? What colour do you like? Our crazy Maggie never stops asking these questions. However, our kids from 2.A didn't have any problems answering them. What's even better? They showed Maggie their answers and created these marvellous paper dolls representing themselves. The paper dolls can be seen in the school corridor and everyone who stops by just can't say nothing less than "I love it"!

SPELLING IS FUN

BY LUCY BIRKOVÁ

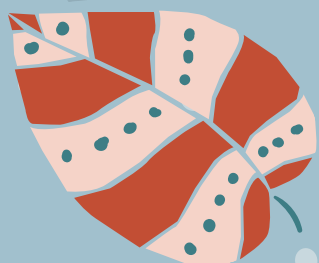

Spelling is fun! This is what our kids from the fifth grade thought while they were building different words and expressions using magnetic letters. Kids worked in pairs competing who would be faster and who could spell the words with no mistakes at all. They were all fantastic and pretty fast. Do you know what they think about spelling now? It's a piece of cake, of course!

LOVELY MUSHROOMS

BY HANA ONDŘIKOVÁ

Class 1.C had an amazing day on Monday, September 27th. The students visited a mushroom exhibition. There they learnt a lot about mushrooms they can find in forests of the Czech Republic. Then they had an origami workshop where they created lovely mushrooms.

THE MONTHLY RECAP

THE BOSS BABY

BY PAVLA KUČEROVÁ

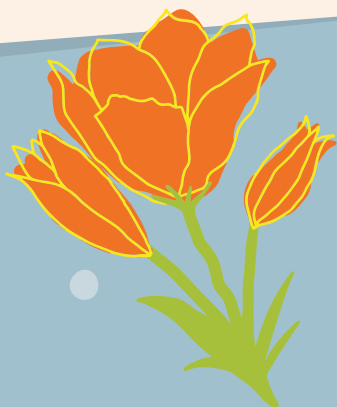

Pupils of the 2.C visited a cinema on Monday the 27th of September. We saw the movie The Boss Baby: Family Business. It was funny to see two boys, Tim and Tad, again. The Templeton brothers have become adults and drifted away from each other, but a new boss baby (Tim's daughter) bring them together again. We enjoyed it!

KARAOKE ENGLISH

BY MICHAL MAREŠ

In our lessons we have done a variation of the famous Five little monkeys song with hand-slapping. The kids had to pass the signal when they got slapped on their palms. The goal of this activity was to learn rhythm and improve their pronunciation. Instead of Five little monkeys we sang ABC-DEF etc. The kids enjoyed it and this will help them learn the alphabet and spelling.
